Re: Ralston Clarke v. Trans Union, LLC, et al
13-CV-02991 (CM)

Dear Hon. Judge McMahon:

I am the Counsel for Plaintiff in this case and I respectfully pray to this Honorable Court to accommodate my late service of Plaintiff's discoveries request.

The plaintiff was supposed to serve discovery documents on the Defendants by February 20, 2015. I inadvertently did not calendar the due date properly and I sincerely ask for the indulgence of the Court, to permit my late service that was made on February 25, 2015 and also to extend the response time for the Defendants.

Moreover, I was under the mistaken impression that the case with the Defendant, Verizon Wireless was among the cases settled. The Plaintiff is asking for discretionary extension of time to formally serve the Verizon Wireless within two weeks. Plaintiff with all humility is asking the Court for a discretionary extension of time to serve the Defendant, Verizon Wireless. In the absence of "good cause," the extension *may* still be granted in the exercise of discretion. *See Zapata v. City of New York*, 502 F.3d 192, 196 (2d Cir. 2007). We sincerely believe that good cause exists here as they were aware of this action and actually contacted me.

Thank you for the consideration of this matter.

Respectfully submitted:

/s/ Osita E. Okocha
